Bus Simulator 2015 allows you to take control of public transport routes, picking up passengers and driving, as well as possible. All AboardUnlike Goat Simulator, or Surgeon Simulator, Bus Simulator 2015 is not a tongue-in-cheek game. It aims to be a realistic and serious bus driving simulator. In career mode, your job is to take the bus out of the depot, stop at all stops so passengers can get on and make sure your driving is as clean as possible. Accidents are punished, as are things like running red light. It's not GTA - you have to be a good driver to do well in Bus Simulator 2015. There's a free mode too where you can drive around different maps in any buses you're unlocked at leisure. Maps include Romania, Paris, Los Angeles, Rome and more, with 15 buses to choose from. Put the pedal (softly) on the metal There are three control methods in Bus Simulator 2015, on the screen steering wheel, more typical arrows or tilt controls. All other features, such as acceleration, brake and open doors, are just buttons on the screen. It's pretty simple, but getting a good score requires careful steering. The graphics are simple but functional. Different cities and places look different but don't feel very alive. There is minimal traffic and no pedestrians wandering the streets except those waiting at bus stops. Unlike some Sims, Bus Simulator 2015 doesn't have licensed cars, which means you won't be able to drive your favorite bus model. However, the buses move realistically and if you like simulators, you should enjoy it. Serious SimBus Simulator 2015 is a fairly dry sim, with unlicensed vehicles and a soft environment. But if you're looking for a bus sim you can play on the go (or on the bus!), it's the best currently available. There are many careers in the world for you to choose from and make money, but no job is easy. Do you want to be a bus driver? If you're going to take a bus to the United States, bus simulator: Original is the one that made for you. This game is what makes your dream of becoming a bus driver come true. This game is a simulation game, so the authenticity of the game is necessary. The game gives players Great experiences for players to enjoy. The variety of map card games is very diverse, with many cities in many countries around the world experienced. Famous cities appear in the game such as Los Angeles America, Paris Paris France, Rome Italy, and many other places for players to experience. All these cities in the game are very beautiful to bring the beauty of this city. Everything in the game is designed very carefully to bring the best experience to the player. Players can see the magnificent streets of Los Angeles, the Eiffel Tower of Paris and many other beautiful views that the game brings. Multiple modes of play Players participating in the game will be able to choose between two modes of play, Career, and Free Ride, players choose one to start the game. If players choose Free Ride mode, they will be free to explore the best of the game without any restrictions. Players can ride their buses and roam the streets of cities to enjoy their beauty. If players want to become a real driver, they can come into career mode to play the game. Players who come into this mode will be tasked with the driver's task to take passengers where they want. Carrying passengers to the seats they requested The player's task when coming to the game is very simple: pick up their customers and take them where they ask. Starting the mission, the player will drive his bus to the bus stop to pick up the passengers. Once the passenger has got into the vehicle, the player will have the task of taking them to the place they asked to complete the mission. If passengers want to get into the player's car, they will need to buy a ticket, and the amount of ticket sales will be the amount that the player receives. If you go to many places, you can get more money and you can use that money to buy new buses. Note the rules the player is the driver, so they will need to follow the rules of the law to move around safely. When a player breaks the law, the player will be deducted, which is the money that the player is punished. So if you don't want to lose the money you earn, it's best to drive safely. Do not miss a red light or take an accident to avoid fines. Unlock the new bus Initially, the player will be given the game only for the standard bus to work and earn money. But when the player has a lot of money, he will unlock a lot of new cars for customer service. Now you're ready to download Bus Simulator: Original for free. Here are some notes: Please check out our guide to installation. To check the processor and GPU of the Android device, please use the CPU-I app Many people believe that bus driving is a very simple thing! Have you ever checked if it's true or not? Play Bus Simulator: Original MOD APK (Unlimited Money) and find your own answer! In previous articles, I've introduced you to some of the simulators, such as Truck Simulator 2018 and Farming Simulator 20. However, if you want more, try Bus Simulator: Original, Ovidiu Pop's latest bus simulation game. The best Modeling the bus From the moment bus load and launch Bus Simulator: Original, you were given the opportunity to become a bus driver with an open career ahead. With C and suspicious levels of modeling, from maps to detailed control systems, you will soon integrate into the beautiful cities of Europe. The bus driver is a busy profession. Choose your first bus and get started. The system provides a small map at the bottom of the screen, located on the bus information screen. He will tell you about your journey and all the bus stops. If you are inexperienced in this work, completing the journey is not easy. Bus Simulator: Original simulation of traffic systems (traffic laws, vehicles) from reality. You don't have to make mistakes such as causing collisions, passing a bus stop, or crossing red lights. You will be deducted experience points by your negligence. It also has two consequences. First, points and bonuses are reduced. Secondly, if you make too many mistakes, you can't keep playing and have to replay it from the start. So if your goal is to become a professional driver, or you want to make career progress, then try to master your bus from the beginning. Control The buses in bus Simulator: Original are designed with amazingly detailed controllers. They have almost every part and function of the actual bus, including turn signals, steering wheel, car headlights, engine on/off, shifting levers, brakes and accelerator pedals. They all fit on the sides of the screen, you just need to touch or hold for use. In the middle is a screen that displays information about the condition of the vehicle, such as speed, acceleration, lights, map. In addition, you can also change the first or third view to get the best review. Map Bus Simulator: Original has a lot of maps for you to explore. The design team of this game tried to show the beauty of Europe. You have a free trip from London to the romantic capital of Paris, the ancient city of Rome. However, if you don't like such crowded and cramped places, you can also drive in the countryside, mountains and states. The yellow lights outside when the night falls along with the breeze blowing through the trees create a noise to make your soul feel more relaxed. However, the map does not expand completely. Famous places are not available. You need to pay to travel to the most beautiful city of Europe. Unlock the new bus is a bus driver bus, however, there are many types of tasks for you. You have to do a lot of work such as transporting passengers, transporting students to and from school, taking passengers on a tour of the city and transporting cargo. Ovidiu Pop has designed over 20 different types of buses to serve these purposes and you can find them in Garage. With different designs and styles, they also have completely different options. It includes horsepower, torque and the maximum number of containers. They all have the same mechanism But driving a car that is stronger, longer or more passengers will bring a completely different feeling to you. Modes If you sometimes feel that the rules in career mode make you you Choose a free mode. Here the maps are unlocked, no missions, no work. You can drive and explore for free. Even if you are the result of an accident, no one will sanction. In a more practical way, this mode gives you the opportunity to explore the beauty of Europe as well as giving you the opportunity to practice/show your driving talent because most of the roads are quite narrow and many cars. Bus Simulator: Original also has great competition when it integrates the multiplayers mode. Here you can play with real players around the world or with friends through a LAN connection.
